

# Flock a Friend

A fundraiser for Morgan Street's LA Dance Company

A fun, flocking way to get *revenge* on your friends!

## HOW IT WORKS:

- 1) Fill out a form, specify your victim and order your flock size.
- 2) Bide your time.
- 3) Laugh hysterically when a lawn-full of flamingos mysteriously appears in your victim's yard!

*Disclaimer: No plastic flamingos are harmed during this fundraising event.*

## WHERE THE FUNDS GO:

LA Dance Company is Morgan Street Dance Company's non-profit organization founded for the purpose of giving our dancers an opportunity to expand their dance education. LADC works each year to put together a repertoire of new choreography to perform locally and regionally and needs your support to make their dreams come true!
